

Position Description		
Employment Agreement:	Senior Medical and Dental Officers Collective Agreement	
Position Title:	Senior Medical Officer	
Service & Directorate:	Lakes District Hospital, Hospital & Specialist Services - Southern	
Location:	Lakes District Hospital	
Reports to:	Service Manager, Lakes District Hospital	
Number of direct reports:	None	
Date:	July 2024	

PURPOSE OF ROLE

- To provide specialist rural health medical services to patients of Health New Zealand presenting to Lakes District Hospital in Queenstown
- Lakes District Hospital is a rural hospital, and the role is required to perform medical services in the Emergency Department, the inpatient ward and in the outpatient area.
- This position is for a Specialist in Rural Health Medicine but an Emergency Medicine specialist can also perform the role should they have the necessary and appropriate experience to undertake the role.
- Lakes District Hospital is accredited for postgraduate training by the Division of Rural Hospital Medicine and by the Australasian College of Emergency Medicine (for Special Skills). Supervision and training of junior medical staff, nursing staff and medical students is also part of the role.

Competencies

The following competencies apply to this position. The employee will be assessed against these as part of their annual performance and development review.

Organisational Competencies	
Customer Focus	Is dedicated to meeting the expectations and requirements of internal and external stakeholders; gets first hand stakeholder information and uses it for improvements in products and services; acts with patients and their family/whanau in mind; establishes and maintains effective relationships with patients and colleagues and gains their trust and respect.
Integrity and Trust	Is widely trusted; is seen as a direct, truthful individual; can present the unvarnished truth in an appropriate and helpful manner; keeps confidences; admits mistakes; doesn't misrepresent him/herself for personal gain.
Drive for Results	Can be counted on to exceed goals successfully; Is constantly and consistently one of the top performers; very bottom line oriented; steadfastly pushes self and others for results.

Te Whatu Ora Southern Position description for: Employee's initials:______

Authorised by: Employer's initials:_____

Manages all kinds and classes of people equitably; deals effectively with all races, nationalities, cultures, disabilities, ages and both sexes; hires variety and diversity without regard to class; supports equal and fair treatment and opportunity for all.
cies
Makes good decisions (without considering how much time it takes) based upon a mixture of analysis, wisdom, experience, and judgment; most of his/her solutions and suggestions turn out to be correct and accurate when judged over time; sought out by others for advice and solutions.
Can effectively cope with change; can shift gears comfortably; can decide and act without having the total picture; isn't upset when things are up in the air; doesn't have to finish things before moving on; can comfortably handle risk and uncertainty.
Blends people into teams when needed; creates strong morale and spirit in his/her team; shares wins and successes; fosters open dialogue; lets people finish and be responsible for their work; defines success in terms of the whole team; creates a feeling of belonging in the team.
Relates well to all kinds of people—up, down, and sideways, inside and outside the organization; builds appropriate rapport; builds constructive and effective relationships; uses diplomacy and tact; can defuse even high-tension situations comfortably.

KEY RELATIONSHIPS		
Internal	External	
Service Manager, Lakes District Hospital General Manager, Southland and Lakes District Hospital Clinical Director, Lakes District Hospital Medical Director for Lakes District Hospital Rural Hospital Medicine specialists Chief Medical Officer Junior Medical Staff Director of Nursing and Director of Allied Health for Lakes District Hospital Nursing and other Allied Health staff Administration staff Other staff within Health New Zealand	Patients and their families/Whanau Other Rural Hospitals including Dunstan Local general practitioners St John Ambulance staff Volunteers and other members of the public	

KNOWLEDGE, EXPERIENCE AND SKILLS REQUIRED

The expertise required for a person to be fully competent in the role. Position specific competencies:

- Must be a medical practitioner registered with the Medical Council of New Zealand or is able to be registered with the Medical Council of New Zealand prior to commencing
- Must hold a specialist qualification which will enable Vocational Registration in Rural Hospital or Emergency Medicine with the Medical Council of New Zealand.
- By its nature, Rural Hospital Medicine is a broad clinical role. It is expected that the Rural Health Specialist would have received training in the broad aspects of the role. Applications from Emergency Medicine specialists will be assessed as to whether they have the necessary breadth of experience to undertake the role.
- Regardless of specialty it is the expectation that Continuing Medical Education funds and time are utilised to upskill practice in any area of practice that is considered necessary.
