Service & Directorate:	MHAID, Older Persons Health & Community
Location:	Dunedin/Invercargill
Reports to:	Group Director of Operations
DHB Delegation Level:	Tier 3
Number of direct reports:	6 FTE
Date:	April 2022 Nov 2024

Our Vision

Better Health, Better Lives, Whānau Ora

We work in partnership with people and communities to achieve their optimum health and wellbeing
 We seek excellence through a culture of learning, enquiry, service and caring

Our Shared Values and Behaviours

Kind <i>Manaakitanga</i>	Open <i>Pono</i>	Positive <i>Whaiwhakaaro</i>	Community <i>Whanaungatanga</i>
Looking after our people: We respect and support each other. Our hospitality and kindness foster better care.	Being sincere: We listen, hear and communicate openly and honestly. We treat people how they would like to be treated.	Best action: We are thoughtful, bring a positive attitude and are always looking to do things better.	As family: We are genuine, nurture and maintain relationships to promote and build on all the strengths in our community.

Our statutory purpose

To improve, promote and protect the health of our population

- Promote the integration of health services across primary and secondary care services
- Seek the optimum arrangement for the most effective and efficient delivery of health services
- Promote effective care or support for those in need of personal health or disability support services
- Promote the inclusion and participation in society and the independence of people with disabilities
- Reduce health disparities by improving health outcomes for Māori and other population groups
- Foster community participation in health improvement and in planning for the provision of and changes to the provision of services
- Uphold the ethical and quality standards expected of use and to exhibit a sense of social and environmental responsibility

PURPOSE OF ROLE
<p>To provide strategic and operational leadership for the designated service area in partnership with Clinical Leadership both the Medical Director assigned within the service and in a matrix manner with Directors of Nursing, Midwifery, Allied Health, Scientific and Technical. For clarity the service teams and operations team are to work collaboratively together to jointly ensure cohesive strategic and operational plans are developed and implemented.</p>
<p>Area/Role specific requirements:</p> <ul style="list-style-type: none"> The General Manager (GM) will lead and manage the assigned service, to provide an efficient, effective and safe service, within the available resources. The GM is responsible for ensuring safe and effective delivery of contemporary high quality health and disability services within a defined funding allocation. To achieve this, you will need to lead and manage services from a district wide perspective, with your clinical partners, providing strategic and operational leadership of all client/patient services provided by the HNZ Hospital and Specialist Services. The GM will need to place decision making processes as close to where care happens to empower our people to deliver our services as one population. The GM will actively support strategies that meet our obligations as a partner under Te Tiriti o Waitangi. They will be committed to achieving equitable health outcomes for Māori by working in partnership in the governance, design, delivery and monitoring of Mental Health, Addictions and Intellectual Disability, Older Persons and Community Services. The GM will promote collaboration, streamlining of processes, efficiency, productivity and patient safety. The General Manager will be a champion for quality improvement, patient safety and wellbeing, demonstrate positive leadership and build the capability and confidence of others to lead positively also. Partnering and building an effective relationship with the appropriate clinical leadership structures will be vital in delivering effectively to the role. The Medical Director, Nursing Director, and Director of Allied Health are operationally accountable to you and professionally accountable to the relevant Tier 2 position. Supporting the importance of multidisciplinary work in MHAIDS through exemplary connected leadership with divisional leadership colleagues – the Director of Allied Health, Director of Nursing, and Medical Director.

Competencies

The following competencies apply to this position. The employee will be assessed against these as part of their annual performance and development review.

Organisational Competencies	
Customer Focus	Is dedicated to meeting the expectations and requirements of internal and external customers; gets first hand customer information and uses it for improvements in products and services; acts with customers in mind; establishes and maintains effective relationships with customers and gains their trust and respect
Integrity and Trust	Is widely trusted; is seen as a direct, truthful individual; can present the unvarnished truth in an appropriate and helpful manner; keeps confidences; admits mistakes; doesn't misrepresent him/herself for personal gain.
Drive For Results	Can be counted on to exceed goals successfully; Is constantly and consistently one of the top performers; very bottom line oriented; steadfastly pushes self and others for results.
Management Competencies	
Decision Quality	Makes good decisions based upon a mixture of analysis, wisdom, experience, and judgement; most of his/her solutions and suggestions turn out to be correct and accurate when judged over time; sought out by others for advice and solutions.
Process Management	Good at figuring out the processes necessary to get things done; knows how to organise people and activities; understands how to separate and combine tasks into efficient work flow; knows what to measure and how to measure it; can see opportunities for synergy and integration where others can't; can simplify complex processes; gets more out of fewer resources.

Te Whatu Ora

Health New Zealand

Organisational Agility	Knowledgeable about MHA sector ; knows how to get things done both through formal channels and the informal network; understand the origin and reasoning behind key policies, practices, and procedures; understands the cultures of organisations.
Building Effective Teams	Blends people into teams with a strong focus on patient safety and quality of care.; creates strong morale and spirit in his/her team; shares wins and successes; fosters open dialogue; lets people finish and be responsible for their work; defines success in terms of the whole team; creates a feeling of belonging in the team.
Problem Solving	Uses rigorous logic and methods to solve difficult problems with effective solutions; probes all fruitful sources for answers; can see hidden problems; is excellent at honest analysis; looks beyond the obvious and doesn't stop at the first answers.
Managing and Measuring Work	Supports delivery on Health targets Clearly assigns responsibility for tasks and decisions; sets clear objectives and measures; monitors process, progress, and results; designs feedback loops into work.

Te Whatu Ora

Health New Zealand

<p>individuals, sector forums, community groups and business organisations on relevant matters.</p>	
<p>Team Performance and Development</p>	
<p>In collaboration with the Medical Directors, Directors of Nursing, Midwifery and Allied Health champion the clinician management partnership model to develop and maintain a team environment in which the Southern DHB performance is optimised.</p>	
<ul style="list-style-type: none"> Promote the philosophy of the HNZ vision and values among all employees by ensuring that the patient is at the forefront of everything we do. Organise functional teams to ensure the completion of all organisational and directorate goals, and ensure effective team management and communications are developed and maintained. Provide a safe, supportive environment that encourages the highest level of personal development and performance of team members. Ensure team members are managed in accordance with good employer practices and current staffing policies and agreements. 	<ul style="list-style-type: none"> Development and performance reviews completed annually for all direct reports. Active professional development programme for staff in place. Evidence of a team-based approach within the functional groups for who line accountability is held. Personal development plans documented for reports.
<p>Cultural</p>	
<ul style="list-style-type: none"> Committed to and practices in a way that meets obligations under the Treaty of Waitangi, giving effect to the principles of Partnership, Participation and Protection and apply these principles in practice. Understands cultural safety as embracing and encompassing a wide range of beliefs and ethnicities, gender, sexuality, religious beliefs. 	<ul style="list-style-type: none"> Practices ensure Māori have equitable access to appropriate health care. Recognises tikaka best practices. Have attended cultural education training as per organisational requirements. Familiar with NCNZ cultural safety document. Ensures ethnicity is completed accurately. Cultural beliefs/values are identified and included in care planning. Works collaboratively with Pacific Island and Māori Health workers. Utilises cultural resources to meet patient/whānau needs.
<p>Other Duties</p>	
<p>Undertaking duties from time to time that may be in addition to those outlined above but which fall within your capabilities and experience.</p>	<ul style="list-style-type: none"> You respond positively to requests for assistance in own and other areas, demonstrating adaptability and willingness. You produce work that complies with SDHB processes and reflects best practice. Research undertaken is robust and well considered.
<p>Professional Development – self</p>	
<p>Identifying areas for personal and professional development.</p>	<ul style="list-style-type: none"> Training and development goals are identified/agreed with your manager. Performance objectives reviewed annual with your manager. You actively seek feedback and accept constructive criticism.
<p>Health, Safety and Wellbeing</p>	
<p>Taking all practicable steps to ensure personal safety and the safety of others while at work, in accordance with the</p>	<ul style="list-style-type: none"> You understand and consistently meet your obligations under Southern DHB's Health and Safety policy/procedures.

Te Whatu Ora

Health New Zealand

<p>HNZHealth, Safety and Wellbeing policies, procedures and systems.</p>	<ul style="list-style-type: none"> You actively encourage and challenge your peers to work in a safe manner. Effort is made to strive for best practice in Health and Safety at all times.
Treaty of Waitangi	
<p>The principles of Te Tiriti o Waitangi, as articulated by the courts and the Waitangi Tribunal will guide the Southern DHB response to Māori health improvement and equity. These contemporary principles include:</p> <ul style="list-style-type: none"> <i>Tino rangatiratanga</i>: Providing for Māori self-determination and mana motuhake in the design, delivery and monitoring of health and disability services. <i>Equity</i>: Being committed to achieving equitable health outcomes for Māori. <i>Active protection</i>: Acting to the fullest extent practicable to achieve equitable health outcomes for Māori. This includes ensuring that the Crown, its agents and its Treaty partner under Te Tiriti are well informed on the extent, and nature, of both Māori health outcomes and efforts to achieve Māori health equity. <i>Options</i>: Providing for and properly resourcing kaupapa Māori health and disability services. Furthermore, the Crown is obliged to ensure that all health and disability services are provided in a culturally appropriate way that recognises and supports the expression of hauora Māori models of care. <i>Partnership</i>: Working in partnership with Māori in the governance, design, delivery and monitoring of health and disability services – Māori must be co-designers, with the Crown, of the primary health system for Māori. 	<ul style="list-style-type: none"> You will be able to demonstrate an understanding of Te Tiriti o Waitangi, Māori Indigenous rights and current issues in relation to health and health equity ie: Whakamaua: Māori Health Action Plan 2020-2025. You will contribute to responding to the DHBs Te Tiriti o Waitangi commitment to deliver effective and equitable healthcare with Māori patients and their whānau. You will have the ability to incorporate Māori models of health, patient and whānau-centred models of care, and mātauranga Māori. You will have insights into your own cultural awareness and an understanding of how your social-cultural influences inform biases that impact on your interactions with patients, whānau, and colleagues. Recognising that there is an inherent power imbalance in-patient relationship and ensuring that this is not exacerbated by overlaying your own cultural values and practices on patients.
Living Southern DHB Values	
<p>Proactively demonstrating Southern DHB values in all aspects of the role.</p>	<ul style="list-style-type: none"> Demonstrates behaviours that we want to see from each other, at our best. Contributes positively to a culture of appreciation, a learning culture, where people feel safe to speak up. Contributes positively to team and other initiatives that seek to improve patient and whanau experiences and/or staffs experience of working.

CHANGES TO POSITION DESCRIPTION

From time to time it may be necessary to consider changes to the position description in response to the changing nature of our work environment – including technological requirements or statutory changes. This Position Description may be reviewed as part of the preparation for your annual performance and development review.
