Job band (indicative)	Band 6			

The Health System in Aotearoa is entering a period of transformation as we implement the Pae Ora/Healthy Futures vision of a reformed system where people live longer in good health, have improved quality of life, and there is equity between all groups.

We want to build a healthcare system that works collectively and cohesively around a shared set of values and a culture that enables everyone to bring their best to work and feel proud when they go home to their whānau, friends and community. The reforms are expected to achieve five system shifts. These are:

1. The health system will reinforce Te Tiriti principles and obligations.
2. All people will be able to access a comprehensive range of support in their local communities to help them stay well.
3. Everyone will have equal access to high quality emergency and specialist care when they need it.
4. Digital services will provide more people the care they need in their homes and communities.
5. Health and care workers will be valued and well-trained for the future health system.

Te Mauri o Rongo – The New Zealand Health Charter (to be confirmed)

Te Mauri o Rongo is currently being finalised – this section provides an overview of anticipated content. In order to guide the culture, values, and behaviour expected of the health sector, Health New Te Mauri o Rongo provides common values, principles and behaviours through four Pou, to guide health entities and their workers, enabling a cultural transformation of the health sector. Te Mauri o Rongo fundamentally upholds a key system shift of the New Zealand health reforms to reinforce and embrace Te Tiriti and our obligations to it.

The pou are a platform and a foundation to empower a culture transformation, every person is guided to align themselves to the pou and enact the values and behaviours that the pou represent. Employers and employees are expected to uphold Te Mauri o Rongo in their work and environments as part of our commitment to achieving Pae Ora (healthy futures) for all.

It is fundamental that the four Pou of Te Mauri o Rongo are upheld by the health entities and their workforce.

Wairuatanga	The ability to work with heart	<i>"When we come to work, we are able and supported by others to be our whole selves. When we return home we are fulfilled".</i>
Rangatiratanga	Ensuring that the health system has leaders at all levels who are here to serve	<i>"As organisations we support our people to lead. We will know our people; we will grow those around us and be accountable with them in contributing to Pae Ora for all"</i>
Whanaungatanga	We are a team, and together a team of teams	<i>"Regardless of our role, we work together for a common purpose. We look out for each other and keep each other safe. Together we are whānaunga, we are the workforce - kaimahi hauora"</i>
Te Korowai Manaaki	Seeks to embrace and protect the workforce	<i>"The wearer of the cloak has responsibility to act/embody those values and behaviours"</i>

About the role

The primary purpose of the role is to provide professional administration support to enable the General Manager to manage their time effectively.

Coordinate a variety of quality and reporting activities to ensure the smooth running of the wider Surgical Services (Dunedin) and Radiology Directorate, including activities relating to managing all adverse events, patient feedback, complaints, Health, and Disability investigations, OIA requests and all activities and communications that require drafting and sign out.

Development and maintenance of procedures and effective systems for office administration, including providing Senior Administrative professional support to the wider Directorate teams.

Coordinate the collation of regular performance and accountability reporting, service level monthly reports and drafting of other report requests.
